

NBHS Band Boosters Association, Inc.  
General Booster Meeting Agenda  
November 9, 2010  
6:30 pm

1. Meeting called to order at 6:30 by Christine Ikels, president. Please sign in on the sign in sheet being passed around.
2. Minutes from October meeting are on the website and a copy here to review. A motion was made by Bill Berry and seconded by Patty Schaefer to accept the October meeting minutes as posted. Motion passed.
3. Treasurer's Report- Patty Schaefer reports we had huge amount of sales at Wurstfest. We still have expenses from Wurstfest and do not have a total. Richard Lalanne presented Patty with a check for \$750 from his employer, Verizon. This goes to the Band Booster Association because his company gives to the organization that their employees volunteer for. Income since last meeting was \$82,227.32 and expenses were \$29,794.88 leaving a balance of \$78,220.97. We will be getting a \$2,000 check from USSBA this month for hosting the contest. This Friday we will be selling funnel cakes at the football game. The band contest expenses were a little more than budgeted because we gave Gatorade instead of water and provided students three meals instead of two. We bought gauntlet bags that are cloth and can breathe and not cause the gauntlets to mildew like they were with the plastic bags. There are no big purchases planned at this time. A motion was made by Greg Lepere and seconded by Leticia Gonzalez to accept the treasurer's report. Motion passed.
4. Committee Reports- Thank you to committee chairs for all your hard work.
  - Pre-Game Meals-All prepaid meals are done. Meals from now on need to be paid.
  - Hospitality-Concert December 14. Will send out email for refreshment donations.
  - Banquet-Carol Kirchof asked everyone to let her know if you can help. We are looking at another location and will get a final selection. If we choose the Civic Center, the date would change. The band directors will review possible dates.
  - Fundraising-Funnel cakes made \$400 last home game. Will be selling again this week which is the last home game.
  - Wurstfest-Did very well due to the 50<sup>th</sup> anniversary.1,655 shirts were sold and most of those in two days and then Doug ordered 900 more of which most of those sold. Sold \$46,148 in shirts. We bought 985 pitcher koozies and sold 902 which brought in \$9,020. We brought in over \$80,000 in sales. Thank you to everyone who helped and to Joe and Monica Partida for taking over when Doug Ikels could not be there. Due to the large sales we may be able to purchase more for the band. Band directors will look at what the band can use. Christine mentioned need to purchase flashlight wands for traffic control. We still need to pay bills coming in from Wurstfest and the Wurstfest Association gets 12%. A question was asked if any of the money could be given to students for the band trip. We are already providing meals (already in the budget) but money has to be voted on and be handled very specifically. That could not be done this year.

## 5. Upcoming Events

- Butterbraid delivery is this Thursday. Parents will need to help with large orders.
- Concert- The holiday concert is Dec 14. We will sell butterbraids.
- Events after the new year-
  - Will have a patron sales drive and need help mailing.
  - Will start having regular banquet meetings.
  - The Winterguard competition March 12 is a big fundraiser.
  - Will possibly have a garage sale spring fundraiser in March.

## 6. New Business:

- Cancel December meeting- Christine Ikels proposed to cancel the December meeting and just provide a Wurstfest update. She would do this before each band performs. A motion was made by Laura Dietert and seconded by Christie Schmitz to cancel December's meeting and just have an update. Motion passed.
- Any other- Need ideas for the use of the money brought in by Wurstfest. It was much more than anticipated. Ms Pradervand reports they have different lists. They have budgeted items, they have needs that are not budgeted and they have wants that would benefit the band performance. Several luxury items would help like stereo items and concert attire. Christine Ikels reminded everyone that any purchase over \$500 must be brought before the boosters to vote on at a general meeting.

## 7. Ms Pradervand – Band Director's Update

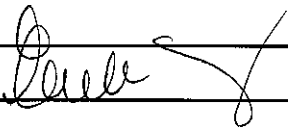

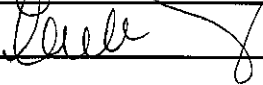

- Ms Pradervand reports the band is moving from marching season to concert season. She reports the band surpassed all Student Leadership Team and directors' goals.
- Next Tuesday is district band auditions at McArthur. Will send information home.
- This Thursday the Silver band will play at Walnut Springs Elementary at 9:15 for Veterans Day celebration.
- A tutor is putting together a French Horn Choir for this holiday season.
- Next Tuesday and Wednesday the bands will have clinic with Mr Green.
- Poinsettias should be delivered December 2<sup>nd</sup> or 3<sup>rd</sup>.
- Percentages for butterbraids and poinsettias are different so student accounts have to be done differently. Charms should be updated by Friday. The next band trip deposit is due next Friday. The Itinerary is not in from the company yet.
- Thank you to everyone who has volunteered.
- Chanel 98 is coming to film band students tomorrow. Students need parent signed media form.

Christine Ikels reported we still have some canopies that need to be picked up.
